Re: Tenas Project under the *Environmental Assessment Act (2002)*

Dear Mr. Shepard,

It was a pleasure speaking with you last week.

Thank you for your letter dated January 31, 2020, advising that the Province of British Columbia (B.C.) passed the new *Environmental Assessment Act (2018)* on November 27, 2018. Telkwa Coal Limited (TCL) understands that the Act was brought into force on December 16, 2019.

A Section 11 Order was issued on June 25, 2019 for TCL's Tenas Project under the *Environmental Assessment Act (2002)*. Please accept this letter as TCL's formal notification that we wish for the project to continue to be assessed under the *Environmental Assessment Act (2002)*.

Please contact us if any questions.

Kind regards,
