

Appendix 13.18-A Invasive Plant Species with the Potential to Occur within the Project Area

Table A-1: Invasive Plant Species with the Potential to Occur within the Project Area

Common Name	Scientific Name	Previously observed In the Project Area	Previously observed in the vicinity of the Project; outside the Project Area	Invasive plant under the Forest and Range Practices Act ¹	Provincially Noxious Weeds under the Weed Control Act ²	Regionally Noxious Weeds in the Bulkley-Nechako District under the Weed Control Act ²	Regional priority within the Bulkley Management Area ³	Regional priority within the Nechako Management Area ³
Annual hawksbeard	<i>Crepis tectorum</i>	Yes						
Anchusa	<i>Anchusa officinalis</i>			Yes				
Baby's breath	<i>Gypsophila paniculata</i>			Yes			Regional EDDR	Regional EDDR
Bishop's goutweed	<i>Aegopodium podagraria</i>						Regional EDDR	Lower Priority
Bladder campion	<i>Silene cucubalus</i>						Lower Priority	Lower Priority
Blueweed	<i>Echium vulgare</i>			Yes			Regional EDDR	Regional EDDR
Bur chervil	<i>Anthriscus caucalis</i>				Yes			
Burdock sp.	<i>Arctium spp.</i>					Yes		
Burdock, Common	<i>Arctium minus</i>			Yes			Lower Priority	Lower Priority
Chicory	<i>Cichorium intybus</i>						Regional EDDR	Regional EDDR
Cluster tarweed	<i>Madia glomerata</i>	Yes						
Common bugloss	<i>Anchusa officinalis</i>						Regional EDDR	Lower Priority
Common comfrey	<i>Symphytum officinale</i> L.						Lower Priority	Lower Priority
Common reed	<i>Phragmites australis</i> subsp. <i>australis</i>				Yes			
Common tansy	<i>Tanacetum vulgare</i>	Yes		Yes		Yes	High Priority	High Priority
Cordgrass, Dense-flowered	<i>Spartina densiflora</i>				Yes			
Cordgrass, English	<i>Spartina anglica</i>				Yes			
Cordgrass, Saltmeadow	<i>Spartina patens</i>				Yes			

Common Name	Scientific Name	Previously observed In the Project Area	Previously observed in the vicinity of the Project; outside the Project Area	Invasive plant under the Forest and Range Practices Act ¹	Provincially Noxious Weeds under the Weed Control Act ²	Regionally Noxious Weeds in the Bulkley-Nechako District under the Weed Control Act ²	Regional priority within the Bulkley Management Area ³	Regional priority within the Nechako Management Area ³
Cordgrass, Smooth	<i>Spartina alterniflora</i>				Yes			
Curled dock	<i>Rumex crispus</i>	Yes	Yes					
Crupina	<i>Crupina vulgaris</i>				Yes			
Dodder	<i>Cuscuta spp.</i>				Yes			
English holly	<i>Ilex aquifolium</i>						Regional EDDR	Regional EDDR
English ivy	<i>Hedera helix</i>						Regional EDDR	Regional EDDR
Field scabious	<i>Knautia arvensis</i>		Yes	Yes		Yes	HP	HP
Flowering rush	<i>Butomus umbellatus</i>				Yes			
Garlic mustard	<i>Alliaria petiolata</i>				Yes			
Giant hogweed	<i>Heracleum mantegazzianum</i>				Yes		Regional EDDR	Regional EDDR
Giant mannagrass/Reed sweetgrass	<i>Glyceria maxima</i>				Yes			
Goat's-beard, Meadow	<i>Tragopogon pratensis</i>						High Priority	High Priority
Goat's-beard, Western	<i>Tragopogon dubius</i>	Yes	Yes					
Gorse	<i>Ulex europaeus</i>			Yes	Yes		Lower Priority	Lower Priority
Hawkweed, Meadow	<i>Pilosella caespitosa</i> (= <i>Hieracium caespitosum</i>)	Yes	Yes					
Hawkweed, Mouse-eared	<i>Pilosella officinarum</i>			Yes			Regional EDDR	Regional EDDR

Common Name	Scientific Name	Previously observed in the Project Area	Previously observed in the vicinity of the Project; outside the Project Area	Invasive plant under the Forest and Range Practices Act ¹	Provincially Noxious Weeds under the Weed Control Act ²	Regionally Noxious Weeds in the Bulkley-Nechako District under the Weed Control Act ²	Regional priority within the Bulkley Management Area ³	Regional priority within the Nechako Management Area ³
	(= <i>Hieracium pilosella</i>)							
Hawkweed, Orange	<i>Pilosella aurantiaca</i> (= <i>Hieracium aurantiacum</i>)	Yes	Yes	Yes		Yes	Lower Priority	Lower Priority
Hawkweed, Spotted	<i>Hieracium maculatum</i>						Regional EDDR	Regional EDDR
Hawkweed, Tall	<i>Pilosella piloselloides</i> (= <i>Hieracium piloselloides</i>)		Yes					
Hawkweed, Whiplash	<i>Pilosella flagellaris</i> (= <i>Hieracium flagellare</i>)						Regional EDDR	Regional EDDR
Hawkweed, Yellowdevil	<i>Pilosella flagellaris</i> (= <i>Hieracium glomeratum</i>)		Yes				Lower Priority	Lower Priority
Himalayan balsam	<i>Impatiens glandulifera</i>						Regional EDDR	Regional EDDR
Himalayan blackberry	<i>Rubus discolor</i>						Regional EDDR	Lower Priority
Hoary alyssum	<i>Berteroa incana</i>			Yes			Regional EDDR	Regional EDDR
Hoary cress	<i>Cardaria draba</i>			Yes			High Priority	High Priority
Hound's-tongue	<i>Cynoglossum officinale</i>			Yes	Yes			
Jointed goatgrass	<i>Aegilops cylindrica</i>				Yes			
Knapweed, Black	<i>Centaurea nigra</i>			Yes			Regional EDDR	Regional EDDR

Appendix 13.18-A Invasive Plant Species with the Potential to Occur within the Project Area

Common Name	Scientific Name	Previously observed in the Project Area	Previously observed in the vicinity of the Project; outside the Project Area	Invasive plant under the Forest and Range Practices Act ¹	Provincially Noxious Weeds under the Weed Control Act ²	Regionally Noxious Weeds in the Bulkley-Nechako District under the Weed Control Act ²	Regional priority within the Bulkley Management Area ³	Regional priority within the Nechako Management Area ³
Knapweed, Brown	<i>Centaurea jacea</i>			Yes			Regional EDDR	Regional EDDR
Knapweed, Diffuse	<i>Centaurea diffusa</i>			Yes	Yes		Regional EDDR	Regional EDDR
Knapweed, Greater	<i>Centaurea scabiosa</i>						Regional EDDR	Regional EDDR
Knapweed, Meadow	<i>Centaurea pratensis</i>			Yes			Regional EDDR	Regional EDDR
Knapweed, Russian	<i>Acroptilon repens</i>			Yes			Regional EDDR	Regional EDDR
Knapweed, Spotted	<i>Centaurea stoebe</i> (= <i>Centaurea maculosa</i>)		Yes	Yes	Yes		High Priority	High Priority
Knotweed, Bohemian	<i>Fallopia x bohemica</i>				Yes		Regional EDDR	Regional EDDR
Knotweed, Giant	<i>Polygonum sachalinense</i>			Yes	Yes		Regional EDDR	Regional EDDR
Knotweed, Himalayan	<i>Polygonum polystachyum</i>				Yes		Regional EDDR	Regional EDDR
Knotweed, Japanese	<i>Fallopia japonica</i>			Yes	Yes		Regional EDDR	Regional EDDR
Loosestrife, Garden yellow	<i>Lysimachia vulgaris</i>						Regional EDDR	Regional EDDR
Loosestrife, Purple	<i>Lythrum salicaria</i>			Yes	Yes		Regional EDDR	Regional EDDR
Meadow buttercup	<i>Ranunculus acris</i>		Yes					
Mossy stone crop	<i>Sedum acre</i>						Lower Priority	Lower Priority
Mountain bluet	<i>Centaurea montana</i>						High Priority	High Priority
North Africa grass	<i>Ventenata dubia</i>			Yes	Yes			

Common Name	Scientific Name	Previously observed in the Project Area	Previously observed in the vicinity of the Project; outside the Project Area	Invasive plant under the Forest and Range Practices Act ¹	Provincially Noxious Weeds under the Weed Control Act ²	Regionally Noxious Weeds in the Bulkley-Nechako District under the Weed Control Act ²	Regional priority within the Bulkley Management Area ³	Regional priority within the Nechako Management Area ³
Nutsedge, Purple	<i>Cyperus rotundus</i>				Yes			
Nutsedge, Yellow	<i>Cyperus esculentus</i>				Yes			
Oxeye daisy	<i>Leucanthemum vulgare</i> (= <i>Chrysanthemum leucanthemum</i>)	Yes		Yes			Lower Priority	Lower Priority
Perennial pepperweed	<i>Lepidium latifolium</i>			Yes				
Poison Hemlock	<i>Conium maculatum</i>							Regional EDDR
Puncture vine	<i>Tribulus terrestris</i>			Yes				
Rush skeletonweed	<i>Chondrilla juncea</i>			Yes	Yes			
Scentless chamomile	<i>Matricaria maritima</i>	Yes	Yes	Yes	Yes		Lower Priority	Lower Priority
Scotch broom	<i>Cytisus scoparius</i>			Yes			Regional EDDR	Lower Priority
Sow-thistle, Annual	<i>Sonchus oleraceus</i>	Yes			Yes			
Sow-thistle, Perennial	<i>Sonchus arvensis</i>		Yes		Yes			
Spurge, Cypress	<i>Euphorbia cyparissias</i>			Yes			Regional EDDR	Regional EDDR
Spurge, Leafy	<i>Euphorbia esula</i>			Yes	Yes		Regional EDDR	Regional EDDR
St. John's wort	<i>Hypericum perforatum</i>	Yes		Yes			Regional EDDR	Regional EDDR
Sulphur cinquefoil	<i>Potentilla recta</i>			Yes			Regional EDDR	Regional EDDR
Tansy ragwort	<i>Senecio jacobaea</i>			Yes	Yes		Regional EDDR	Regional EDDR

Appendix 13.18-A Invasive Plant Species with the Potential to Occur within the Project Area

Common Name	Scientific Name	Previously observed In the Project Area	Previously observed in the vicinity of the Project; outside the Project Area	Invasive plant under the Forest and Range Practices Act ¹	Provincially Noxious Weeds under the Weed Control Act ²	Regionally Noxious Weeds in the Bulkley-Nechako District under the Weed Control Act ²	Regional priority within the Bulkley Management Area ³	Regional priority within the Nechako Management Area ³
Tatarian honeysuckle	<i>Lonicera tatarica</i>	Yes						
Teasel	<i>Dipsacus fullonum</i>			Yes				
Thistle, Bull	<i>Cirsium vulgare</i>	Yes		Yes			Lower Priority	Lower Priority
Thistle, Canada	<i>Cirsium arvense</i>	Yes		Yes	Yes		Lower Priority	Lower Priority
Thistle, Marsh Plume	<i>Cirsium palustre</i>			Yes		Yes	Regional EDDR	Regional EDDR
Thistle, Milk	<i>Silybum marianum</i>				Yes			
Thistle, Nodding	<i>Carduus nutans</i>			Yes			Regional EDDR	Regional EDDR
Thistle, Plumeless	<i>Carduus acanthoides</i>			Yes			Lower Priority	Lower Priority
Thistle, Russian	<i>Salsola kali</i>						Regional EDDR	Regional EDDR
Thistle, Scotch	<i>Onopordum acanthium</i>			Yes			Regional EDDR	Regional EDDR
Toadflax, Common/Yellow	<i>Linaria vulgaris</i>	Yes	Yes	Yes	Yes		Lower Priority	Lower Priority
Toadflax, Dalmatian	<i>Linaria dalmatica</i>		Yes	Yes	Yes		Lower Priority	Lower Priority
Velvetleaf	<i>Abutilon theophrasti</i>				Yes			
Wild carrot	<i>Daucus carota</i>						Regional EDDR	Regional EDDR
Wild chervil	<i>Anthriscus sylvestris</i>						Regional EDDR	Regional EDDR
Wild oats	<i>Avena fatua</i>				Yes			
Wormwood	<i>Artemisia absinthium</i>		Yes				High Priority	Regional EDDR
Yellow archangel	<i>Lamium galeobdolon</i>							Regional EDDR

Common Name	Scientific Name	Previously observed In the Project Area	Previously observed in the vicinity of the Project; outside the Project Area	Invasive plant under the Forest and Range Practices Act ¹	Provincially Noxious Weeds under the Weed Control Act ²	Regionally Noxious Weeds in the Bulkley-Nechako District under the Weed Control Act ²	Regional priority within the Bulkley Management Area ³	Regional priority within the Nechako Management Area ³
Yellow flag Iris	<i>Iris pseudacorus</i>			Yes	Yes		Regional EDDR	Regional EDDR
Yellow floating heart	<i>Nymphoides peltata</i>						Provincial EDDR	Provincial EDDR
Yellow starthistle	<i>Centaurea solstitialis</i>			Yes	Yes			

Notes:

- 1 Invasive plant species as designated under BC Invasive Plants Regulation (Government of British Columbia 2004a) [provision to section 47 the Forest and Range Practices Act (Government of British Columbia 2002)]
- 2 Invasive plant species listed as Noxious for the Province of British Columbia under the Weed Control Act (Government of British Columbia 1996b) and Weed Control Regulation (Government of British Columbia 2011)
- 3 2020 prioritized plant list specific to the Bulkley and Nechako NWIPC Invasive Plant Management Areas of the Northwest Invasive Plant Council for 2020 (NWIPC 2020c, b); Rapid Response (EDDR) = Poses a significant threat and is new to the area, with a management objective of eradication; High Priority species exhibit a low population and significant potential to spread, with a management objective of containing to prevent further expansion; Lower Priority species may be widespread or of limited distribution, may be of concern in specific situations, with a management objective of controlling to prevent further expansion.
